

SynergyScreens provides venues around Atlantic Canada with a dynamic digital display screen system. Our digital display screens, allow our advertisers to change their advertising content on a daily, weekly or monthly basis (change your advertising as your business changes). Advertisers that purchase multi-month licenses from SynergyScreens also have the ability to move in and out of venues on a monthly basis. Our software supports video and static ads to create one of the most dynamic digital advertisement methods available today!

SynergyScreens will provide advertisers with:

- creative and technical support
- access to premium venues
- ability to advertise through a dynamic and innovative medium
- affordable pricing
- flexible payment plan
- multiple venue ad packages

Advertising with SynergyScreens

Repeat Exposure Your ads are seen by clientele every time they visit the venue.

Customized Tailor your ads to the audience and geographic market. Dedicated account space allows you to make changes to your ads as often as you like. SynergyScreens supports multiple forms of advertising from print ads to flash video.

Targeted Reach the demographic of your choice by choosing one or all of the established venues.

Geographic Reach Maximize your reach with multiple venue packages.
